

## LASER WELDING INNOVATION

(dal welding di termoplastiche alla saldatura in microelettronica)

23 & 24 November Technology Open House

Demo di Robot Selettivi con sorgente Laser & Macchine per assemblaggi in micro elettronica

Polymers & Micro/Macro Electronics Selective welding & soldering

### Open House Program

Gli eventi si ripetono il 23 ed il 24/11 (Same Program for both days)

Opening & Welcome: 10.00 am

Thermoplastic Welding Presentation: 10.30 am

Live Demo: 11.00 am

Robotic & Automation: 12.00 am

Soft Lunch Break: 13.00

Selective Soldering presentation: 14.15

Contact & Non Contact Techniques - Automation: 14.40

Live Demo 15.00

Rework & Repair: 16.00

Playing with the systems: 16.20

Ezio Drappo - Etneo Italy

Mr. N. Suzuki - Parker Corp

Mr. M. Crudeli - SM System

Etneo/Apollo Seiko

E. Drappo - M Crudeli
